

AGH Business and Data Analysis BA

Functional Activity Diagrams of Your Doctor Application

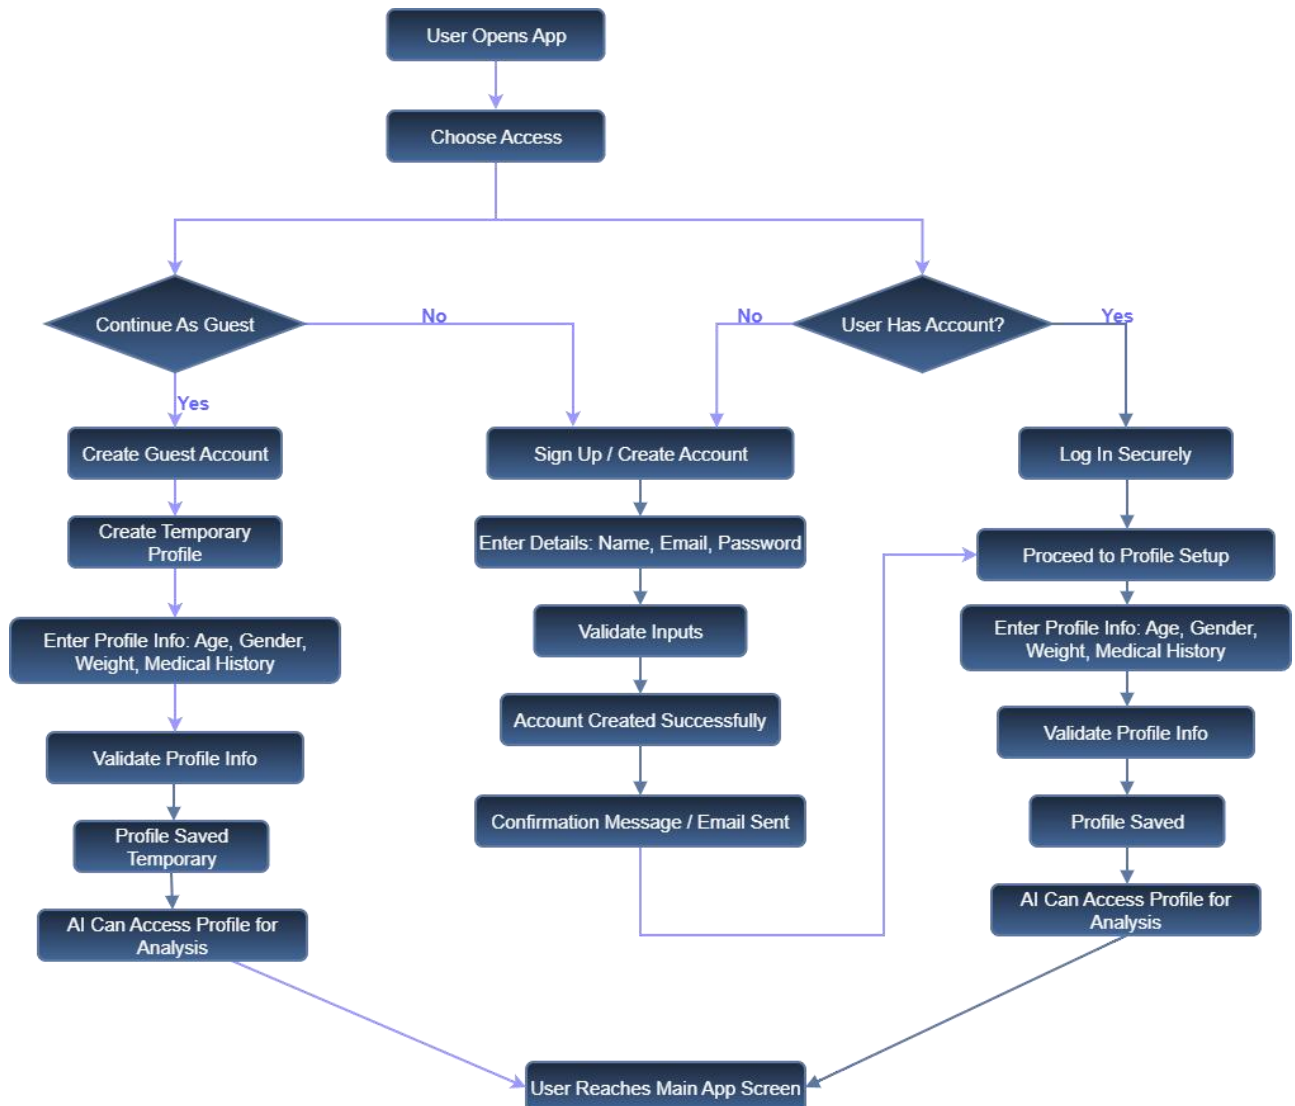

Prepared by : FatimaZahraa Harrak

Supervisor : Mohamed Boulkassoum

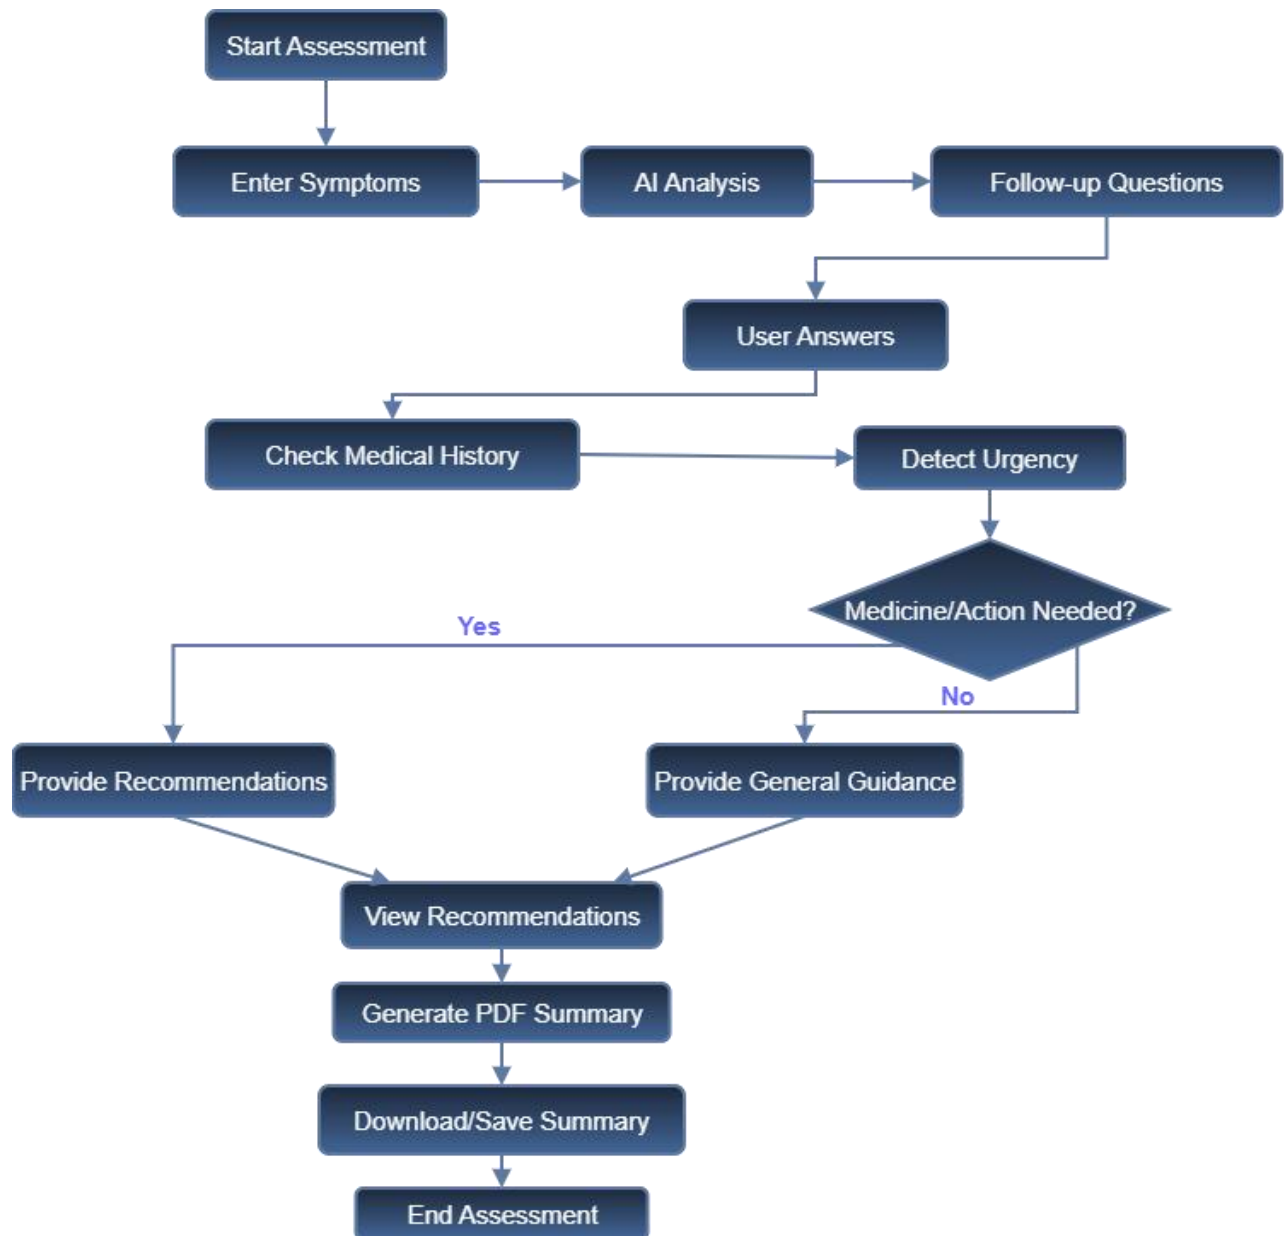

As part of the Business Analysis phase, this section presents the functional scope of the **Your Doctor** application. **Your Doctor is a health application focused on the journey: Symptom Reporting → AI Assessment → Guidance & Recommendations.**

This document focuses on the **activity diagrams** that illustrate the main workflows of the application, providing a clear and structured overview of the user interactions and system processes.
