UML Class Diagram – Your Doctor Application

Prepared by : FatimaZahraa Harrak

Supervisor : Mohamed Boulkassoum

This section presents the overall structure of the **Your Doctor** application through a UML class diagram.

The diagram illustrates the main system components, their attributes, and the relationships between them. It provides a clear view of how the application is organized, including user management, symptom assessment, medical guidance, consultation history, subscription system, and gamification features.

The objective of this diagram is to help stakeholders understand the system architecture and how different elements interact to deliver a complete and efficient user experience.
